### Summary

**Back & front:** Cast on with long-tail cast-on method. Work in st st, k1p1 ribbing, and then again in st st. Front is worked same as back except that for pocket on front, work row of pocket stitches in waste yarn (for inserting pocket later). After row of waste yarn for pocket opening, work bear in intarsia (front only). Seam shoulders with slip stitch seam.

Sleeve (make 2): Pick up stitches from back & front between shoulders and markers. Work sleeve in st st, decreasing as indicated. Continue in k1p1 ribbing and then again in st st. Bind off.

**Finishing:** Pick up stitches around neckline; work collar in k1p1 ribbing and st st in the round. Bind off. Remove waste yarn for pocket, picking up live stitches as you go. Work upper and lower parts of pocket. Crochet bear's snout and paw, then stuff with polyfiber stuffing or yarn scraps if desired. Whipstitch snout and paw to pocket. Fasten safety eyes where indicated for nose and eyes. Embroider lower part of nose and claws on paw with embroidery thread. Seam side and sleeve undersides with mattress stitch.
