Summary
❖**Note:** Entire garment worked with 2 strands of yarn held together.

Body & sleeves: Cast on with long-tail cast-on method. Work in k1p1 ribbing, then continue in pattern stitch. For sleeves only, bind off all stitches. Place right front, left front, and back stitches on stitch holder until you begin seaming. Work left front as mirror image of right front.
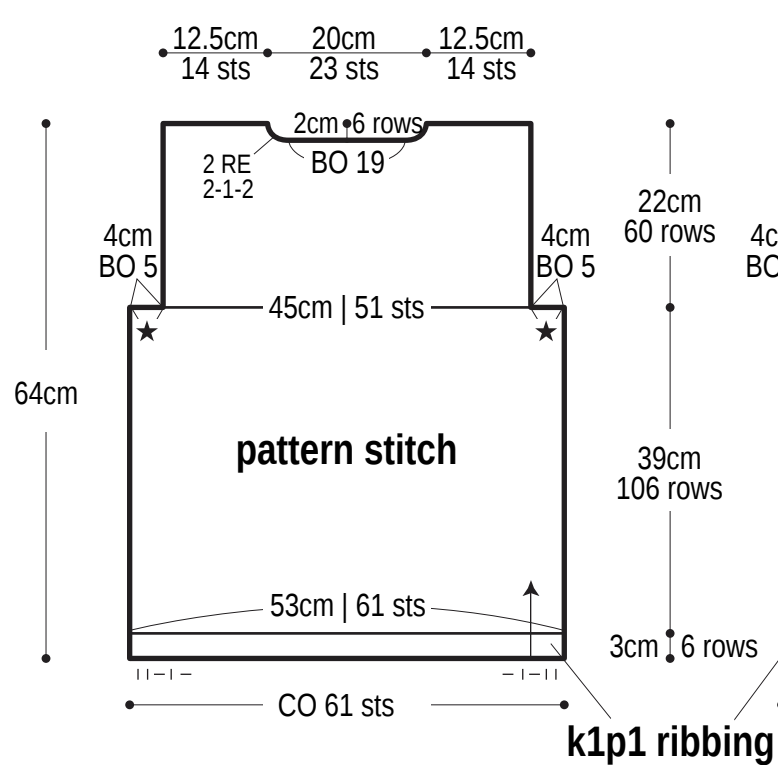

Finishing: Seam shoulders with slip stitch seam. Seam sleeves to body with slip stitch seam. Seam sections marked on finishing schematic with ★ using stitches-to-rows mattress stitch. Seam sides and sleeve undersides with mattress stitch (one continuous seam per side of body/sleeve). Pick up stitches around neckline; work collar in k1p1 ribbing. Bind off in pattern. Pick up stitches along front edges; work welt in k1p1 ribbing. Bind off in pattern. Sew zipper to front edges using half blindstitch.
