Summary

Body (right front, right back, left front & left back): With crochet hook, work a chain 35 sts long. Make 3 more (for a total of 4 chains) and set aside to be used later when working sleeves. With knitting needles, cast on with long-tail cast-on method. Work in pattern stitch (which is st st and reverse st st). When you reach sleeve, pick up stitches from crochet chain (one chain per sleeve) and then continue working across row. Work left side of body as mirror image of right side.

Finishing: For front and back, seam left and right sides of body together down the front using mattress stitch. Seam shoulders with crochet slip stitch seam. Crochet sc edging around neckline in the round. Form gathers where indicated using running stitch (see finishing schematic). Seam sides and sleeve undersides using mattress stitch and crochet slip stitch seam (see finishing schematic). Fasten ribbon to each cuff.
