Body: Cast on with long-tail cast-on method. Work in st st. Seam sides by working fully fashioned lifted increases (worked 1 st in from the edge) according to schematic. Shape armscye by binding off stitches as indicated and by working decreases at edges (see schematic). Work yoke section in pattern stitch. Note that bobbles in pattern stitch are crocheted by working ch6. Shape shoulders with short rows, then bind off stitches at center for boat neck collar. Do not bind shoulders stitches off; place on stitch holder for seaming later.
