Summary

Lower body: Cast on with long-tail cast-on method. Work in garter stitch and then in pattern stitch A, altering gauge as you work by changing needle size when indicated. Bind off.

Upper body & sleeves: Start as for lower body, then work in pattern stitch A and garter stitch, adjusting gauge with needle size as for lower body. Bind off. With crochet hook, work pattern stitch B along cast-on edge of upper body, making buttonholes in right front only.

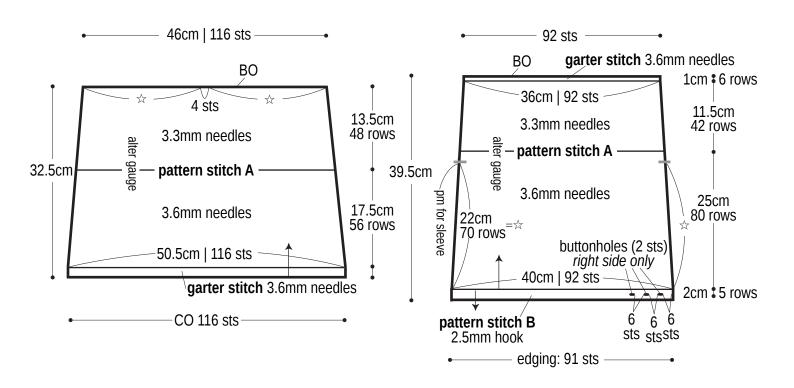

Finishing: Seam upper body and lower body (section marked with \approx) together using stitches-to-rows mattress stitch. Use mattress stitch for the section that overlaps. Seam each side (from hem all the way up sleeve to cuff edge) with mattress stitch.
