#### Summary

\*Note: Like all Japanese patterns, stitch counts given here for foundation chains do not include any chain sts needed for turning posts.

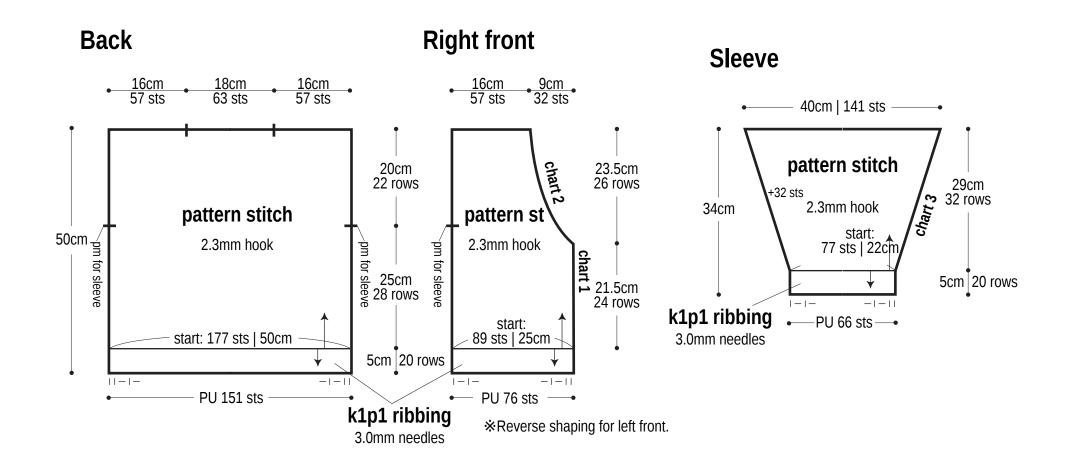

Body & sleeves: With crochet hook, work foundation chain to begin and then work in pattern stitch according to schematics. With knitting needles, pick up stitches from hem and cuff edges, respectively. Work k1p1 ribbing. Bind off in pattern.

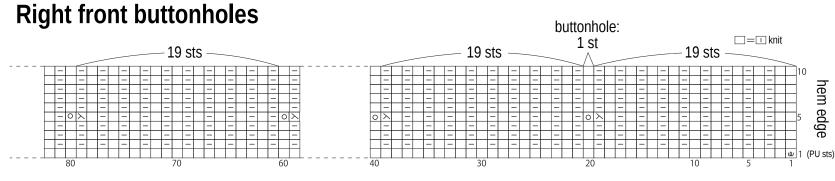

**Finishing:** Seam shoulders with chain seam (alternating chain st and slip st as needed to maintain pattern). Seam sides with chain seam, but seam k1p1 ribbing areas with mattress stitch instead. Seam sleeves in same manner. With knitting needles, pick up stitches from neckline and front edges; work collar/buttonband in k1p1 ribbing. Work buttonholes in right front band only. Bind off in pattern. Seam sleeves to body with ladder stitch.
