Summary

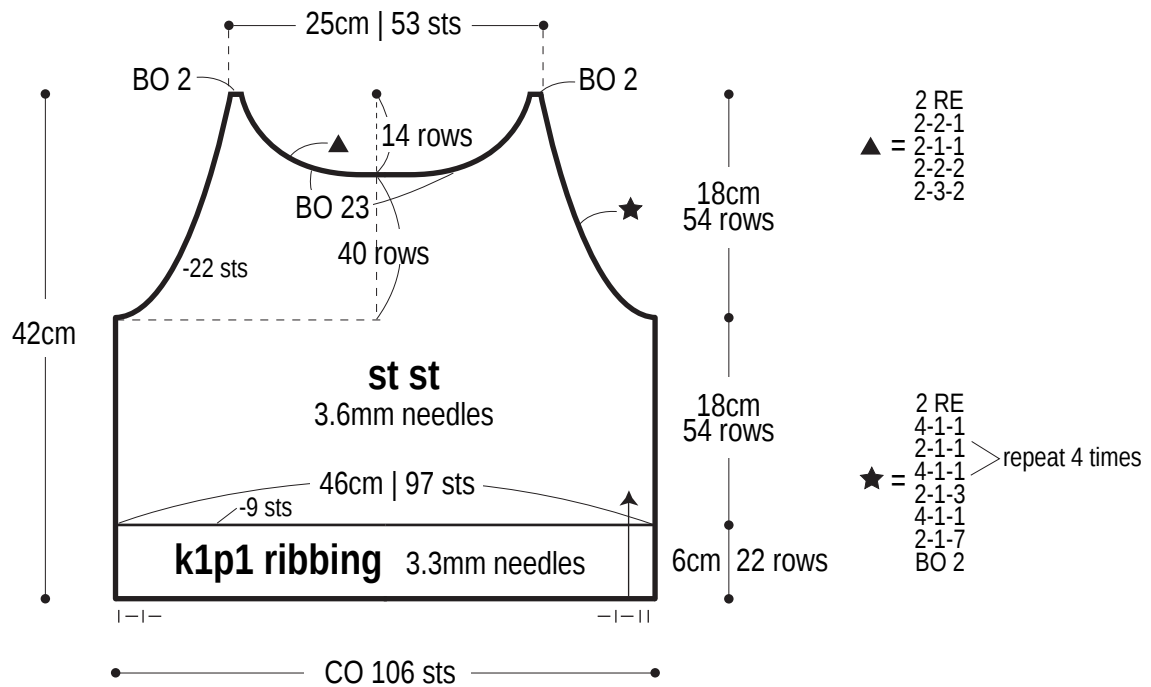

Body (make 2): Cast on with long-tail cast-on method. Work in k1p1 ribbing. Continue in st st.

Finishing: Seam sides with mattress stitch. For edging, first crochet sc edging along neckline on front and back. Then work the straps and armhole edging in the round as follows: before you begin the armhole edging, crochet a chain 36 sts long for each strap (2 chains total). Begin working sc edging along armhole edge; when you reach the end of the armhole edge of the knitted body piece, begin working sc into one of the chains you prepared in advance. Repeat for other armhole.
