## Summary

❖**Note:** When using Junmo Chuboso Gradation, work with 2 strands of yarn held together.

**Body of pullover (front & back):** Cast on with long-tail cast-on method. Work in pattern stitch A, adjusting gauge as you go by changing needle size according to schematics. Seam raglan edges by working decreases at edges.

**Sleeve (make 2):** Cast on with long-tail cast-on method. Work in pattern stitch B. Seam raglan edges by working decreases at edges.

**Pullover finishing:** Seam raglan edging with mattress stitch, and graft underarm gusset with Kitchener stitch. For each side of body, seam sides and sleeves from hem to cuff with one continuous mattress stitch seam. Pick up stitches around neckline; work collar in the round according to schematic. Bind off. With crochet hook, work sc edging around each cuff.

**Skirt:** Cast on with long-tail cast-on method. Work in pattern stitch A and reverse st st. Bind off. Make second piece identical to first. Seam together with wrong sides facing each other using mattress stitch.

**Waistband:** Pick up stitches around bind-off edge. Work waistband in reverse st st in the round. Fold waistband to inside where indicated on schematic. Seam bind-off edge of waistband to bind-off edge of skirt using whipstitch, leaving an opening to insert the elastic. Thread elastic into waistband casing, then sew ends together, overlapping by 2cm/0.79". Whipstitch waistband opening shut.

**Hem:** With crochet hook, work sc edging in the round. Bind off.
