Summary

❖**Note:** Like all Japanese patterns, stitch counts given here for foundation chains do not include any chain sts needed for turning posts.

Skirt: Work magic ring to begin, then make number of motifs A & B required for desired skirt size. Starting from second motif, join to previous motif(s) on final round. For ladies' size only, leave a slit in the front as shown in schematic.

Waistband: With knitting needles, pick up stitches around waist starting at front center. Work waistband in k1p1 ribbing. Bind off in pattern. Fold waistband to inside along dashed line shown in finishing schematic; tack down to inside of skirt using whipstitch.

Drawstring: Work foundation chain to begin, then crochet according to chart.

Drawstring decoration (make 2): Work magic ring to begin, then crochet according to chart.
