Summary

❖**Note 1:** Like all Japanese patterns, stitch counts given here for foundation chains do not include any chain sts needed for turning posts.

❖**Note 2:** Some sections are worked with yarn held doubled. See schematics for details.

Body of pouch: Ch9 for foundation chain; bind off and save for later. Repeat (so you have 2 short chains). Work third foundation chain, then work in striped Tss per chart & schematic. Use the two short chains when indicated for adding new stitches. Bind off with slipstitch.

Finishing: With wrong sides facing each other, match up the edges following the marks on the finishing schematic and seam with whipstitch. Sew zipper into the mouth of the pouch.
